

Dear Colleagues,

It's a pleasure to invite You to the 14th International Conference & Workshop "Medical Physics in Baltic States 2019", organized by Kaunas University of Technology /Lithuania, Society of Medical Physicists/Lithuania and Malmö University Hospital, Lund University /Sweden.

Conference & Workshop will be held on 7-9 November, 2019. Conference will be held on **8-9 November, 2019** at Kaunas University of Technology, Studentų str. 50, KAUNAS, LITHUANIA. Workshop will be held on **7 November, 2019** at Hospital of Lithuanian University of Health Sciences (LSMU) Kauno klinikos.

Conference topics cover scientific and clinical aspects of medical physics. The mission of the Conference is to consolidate the efforts of engineers, physicians and scientists working in hospitals, clinics, research and education institutions and companies from different countries for solving health care problems related with radiation therapy, diagnostic, imaging, medical and technological information and radiation protection.

Early registration conference fee (till 9 September, 2019) is 120,- EUR (60,- EUR for students).

Conference proceedings will be issued in advance. From 2009 until now Conference proceedings were included in Web of Science (Clarivate Analytics) data base, so we expect that this will be possible in this year too.
